

Amherst Recycling Task Force

The Task Force meets the third Thursday of each month at 7:00pm at the Office of DPW – residents are welcome

Amherst Recycling Center

Hours:
Tuesday: 8 a.m. to 4 p.m.
Thursday: 8 a.m. to 4 p.m.
Friday: 7 a.m. to 11 a.m.
Saturday: 7:30 a.m. to 4:30 p.m.

Fee Structure

Propane Tanks (all sizes) \$3.00
Anything holding Freon \$10.00
(Doors must be removed from refrigerators)

Video Display devices includes televisions, computer displays (CRT), liquid crystal displays and plasma screens larger than 4 inches diagonal \$5.00

Tires

Fees paid at the scale house, tires stored on the hill
15" or less \$2.50
16" or larger \$10.00

Fluorescent LightBulbs

(See attendant)

Chargeable items across the scale

Demolition \$0.10 per pound
Minimum charge \$2.00
Wood chips and logs @6"+ \$0.10 per pound
Purchase of composted loam \$10.00 per ton
Minimum charge \$2.00

Recyclable Items on the "Hill"

- Aluminum beverage cans (please no dog or cat food, no aluminum foil)
- Corrugated cardboard (flattened, clean, dry, unwaxed), brown paper bags. No pizza boxes!
- Newsprint and inserts. Catalogs, hardbound, paperbacks, phone books ALL WITHOUT COVERS.
- Comingles - steel cans, plastic food, drink and detergent containers (#1-7), milk and juice containers (plastic and coated cardboard). No ceramics, motor oil containers.
- Glass (all colors) bottles and jars. No window glass, light bulbs.

Sofa Beds

Please remove the metal bed frame from sofa prior to arrival.

Textile

Clothing, shoes, sheets, curtains, stuffed animals, towels, & leather goods. - Clean and dry PLEASE, NO soiled materials, rugs, pillows, socks, or underwear.

Yard Waste

- Leaves and grass clippings are stockpiled beyond the scale house. Employees turn the compost pile and once per year the material is shredded to make composted loam. To recover the cost of processing, composted loam is made available for \$10/ton (\$2.00 minimum charge).
- Brush and logs are stockpiled on the upper level to the right. Logs 6 inches and over must go across the scale with an assessment of \$0.10 per pound. Mixed loads are figured at the discretion of the weigh master. Once per year, logs and brush are chipped/shredded and marketed. Please, clean unpainted, untreated, non- stained, wood only.
- Do Not dispose of yard waste in your trash: it will pollute a load & cause it to be rejected creating additional and unnecessary costs!

Waste Oil

Is collected in a self-contained trailer on the hill in the middle of the circular driveway. Used motor oil, fifty weight and below, is transported by town employees and used to heat the Public Works garage.

Antifreeze

We now have a 275 gallon drum with secondary containment to collect antifreeze located near the waste oil trailer.

Appliances and Scrap Metals

At the top of the hill, scrap aluminum, brass, copper, steel, cast iron, light metals, appliances (free of fluids and residue), metal frames from sofa beds.

Automotive Batteries

- At the top of the hill in the small shed created for that purpose.

Still Good Shed

Games, household items, toys, sporting goods, and manageable furniture (see attendant first). The volume of items deposited often gets out of hand and after a period of time the building is cleared.

Book Swap

- Book swap room is located in the red building on the left

ACCEPTABLE Mixed Paper Recycling Junk Mail Envelopes (even those with windows) Cereal Boxes, Shoe Boxes, etc. (aka chip-board) Computer Paper Paper Egg Cartons (styrofoam type goes in trash) Manila Envelopes, Office Paper, Posters, School Paper (e.g., ruled, construction) Soft Cover Books, Telephone Books, White or Colored Paper, Hard Cover Books (with covers removed)
