## Amherst U9 All-Stars Undefeated in Western District Tournament

The Amherst U9 All-Stars battled through a 14-team tournament bracket last week in their effort to secure a berth in the NH State Tournament. The team played 5 games last week in the New Hampshire Cal Ripken Western Area District Tournament hosted in Keene and went undefeated. The Amherst U9 All-Stars will advance to the New Hampshire Cal Ripken State tournament as the number one seed from the West. During this week of baseball Amherst played some great opponents including teams from Hollis, Connecticut Valley, Milford, and Nashua South. Amherst outscored their opponents 50 – 30 and out hit their opponents 53 – 18. The team showed impressive pitching and fielding skill, but the real story is the hitting. The team trains at Power Series in Wilton run by Bob Caswell.

In the final championship game Amherst faced a very good team from Nashua South. This was the second

time in two days that the teams would face each other. The game started out with Nashua scoring first to take 1 – 0 lead in the top of the 1st. Amherst answered with 3 runs in the bottom ½ of the inning. In the 2nd inning Amherst scored 4 runs with the highlight of the week, a three-run home run to left field by Bryce Reagan taking the score to 7-1. In the 3rd Nashua scored 2 runs with some very nice hitting making the score 7 – 3 Amherst. In the 4th and 5th innings Amherst would score 3 runs each to end the game early with the 10-run mercy rule for a final score of 13-3. Amherst's stellar pitching by Drew Pollio and Ryan Hill held Nashua South to 3 runs on 3 hits. The game was an impressive display of power hitting by the entire Amherst team. The team will represent Amherst in the Cal Ripken State Tournament beginning July 25 in Londonderry.

## SHS Boys Varsity Basketball Wins Franklin Pierce Tournament

The Souhegan boys varsity basketball team under the direction of head coach Mike Heaney won the Big East division championship of the Franklin Pierce University basketball tournament held this past weekend. The varsity Sabers finished the tournament with a perfect 7-0 record, defeating Murdock HS of Winchendon, MA in an exciting championship final.

When asked about his team's play in the tournament, Heaney said "...our program clearly grew over the weekend. Winning seven games in a row under any circumstances is difficult, so it is a credit to our players that they were able to step up and get this championship won..." Heaney went on to say that every player on the

tournament roster had to "step up and contribute" at some point or the Sabers might very well have fallen short of winning the title.

Leading SHS in the tournament was junior Seth Cordts, who topped the Sabers in overall points and assists from his point guard position. Strong rebounding numbers were put up by junior Ryan Redmond and senior DJ Petropoulos throughout the weekend. Another key factor in the Sabers run to the championship was the overall floor play of sophomores Devin Gilligan and Jack Nelson. The varsity Sabers next compete at the UMASS/Lowell invitational tournament on July 18-19
