“Summer at the South Pole: How COOL is that!!”

Are there polar bears at the South Pole? What about penguins? Does it ever get dark in the summer? What do you know about the coldest and driest continent in the world? The Mont Vernon Historical Society and the Friends of the Daland Memorial Library are delighted to be sponsoring Curtis Moore's program “Summer at the South Pole: How COOL is that!!” during Mont Vernon's Spring Gala Day, Satur-

day, May 14th. The program will be held in the meeting room at the Town Hall (it is handicapped accessible) at 2 p.m. Curtis will present a slide show and talk about his experiences while living and working for five austral summers assisting in research projects at the Amundsen-Scott South Pole Station on Antarctica. He got back from his last trip on “The Ice” this spring.

Curtis grew up in Massachusetts, then went west to start college at South Dakota State University before transferring and completing his degree in outdoor leadership at Northern Arizona University. His love of the outdoors led to extensive experience in building, repairing and maintaining trails while working with and supervising high school students for the nationwide organization Students Conserva-

tion Corps. He has also worked for the Randolph (NH) Vermont Club Trail Crew as crew member and trail supervisor.

Curtis has competed in marathons in Greece and New Zealand and has also run in the the Boston Marathon. He has run in many other races across the US including a race up Mount Washington-a one hill race, so to speak! On a more local scale, he won the Mont Vernon Road Race on Gala Day last year and plans to compete again this year. He is currently on a 500 mile pilgrimage hike in Spain called el Camino de Santiago. Curtis is the grandson of the late Russell Stacy and Peg Stacy formerly of Mont Vernon. Peg now lives in Massachusetts. The program is free and open to all. There will be a chance to ask questions.

Master Plan Survey – Let Your Voice Be Heard

The Mont Vernon Planning Board is conducting a survey to begin the process of updating the Master Plan and they need your opinion. This survey will help the Planning Board and other Town Departments in determining the future direction of the Town. Please look for the survey in your mailbox beginning May 16th. Don't miss this opportunity to make a difference in your community.

Mont Vernon Historical Society News

Visit the Museum on Spring Gala Day

The Mont Vernon Historical Society's museum will open for the 2011 season on Spring Gala Day, Saturday, May 14, from 9 a.m. to 1 p.m. Enjoy the firemen's pancake breakfast, then stop by to check out exhibits depicting the town's history. See the old post office that was at one time behind the general store. Visit the children's room and see some examples of students' work from bygone days. Look for Lamson Farm memorabilia as well as artifacts that were once in the Grand Hotel. Check out the bank of eight David Dutton clocks. His clocks were recognized for their fine workmanship. It is believed his work-

shop was located where the War Monument now stands. This year a sample of Boston Tea Party tea will be on display-be sure to ask one of the docents who will be on hand to answer questions. The museum will also be open the first and third Saturdays each month through October from 10 a.m. to 2 p.m. The museum is located on the second floor of the Town Hall. Questions contact Museum Curator Sandy Kent at 673-2886.

Decorate Your Mailbox!

All Mont Vernon homeowners are invited to shake off the debris of winter and celebrate spring by decorating their mailboxes or signposts so everyone will catch the spirit of this year's Spring Gala theme, “Make It Happen, Mont Vernon”. Suggestions include: landscaping, painting, wrapping, attaching flags, adding garland...almost anything to add eye-catching color and appeal to the streets and back roads of the town. All ideas are welcome as

long as they don't impede the delivery of mail.

The contest runs from April 14 until May 14. The best decorated mailbox (signpost, etc.) will be awarded a \$50.00 gift certificate from Milford County Stores. The Mont Vernon Police Department will judge the event and the winner will be announced at Spring Gala. Join in the fun, break out your creativity and help Mont Vernon celebrate spring 2011!

Health care designed around *me* means...

I am able to hold my new granddaughter.

“When I learned that I needed back surgery, I was concerned about the recovery time. A new granddaughter was on the way and I wanted to be able to hold her.”
- Mary Danboise, (pictured left) with her physical therapist, Kari Rabito, MSPT

Mary benefited from advanced surgical techniques and rehabilitation services offered through The Health System. And when her granddaughter was born, she welcomed her with open arms.
