Milford raced to 3rd place with 120 points.

The Sabers were paced by Devan Casey with 3 tonight, and Jasper Jones served up a number of beautiful opportunities, 2 of which were finished off nicely. Man of the Match Aaron Hinton ripped up Milford's left flank the entire second half, and getting off a wonderful left foot shot from 25 yards deflected by the keeper at the 56 minute mark, and kept pushing to create several opportunities.

Milford's goal was off a wonderful cross and finish, also from the left flank as Jepson rose 2 feet above a surprised Saber defensive corp. Several Spartans created some good opportunities, and Ryan Clark saw his free kick effort in the 70th minute whistle by the post.

Teigue Young showed great skill in a wonderful palm save over the bar late in the match, but his most outstanding effort came of a corner kick when he was at full stretch to snare the ball at the Penalty Spot.

The SHS game plan was well executed through penetration on the flank, and getting plenty of service from our outside backs and outside midfielders.

Looking forward to Senior Night next Tuesday, October 22 v. Kennett.

Kickoff is at 5:15PM, and we'll have a celebration at half time for our 9 seniors.
