Perennial Group September Meeting at Amherst Middle School
The Amherst Garden Club's Perennial Group were welcomed at the Amherst Middle School on September 18 by Principal Porter Dodge who gave them a tour of the gardens that the seventh graders have created at the school. Students of seventh grade science teachers Corey White and Linda Farrington have planted raised vegetable gardens and containers with flowers. The garden club provided the seed money for the project.

Amherst Area Newcomers welcomed the Canvas Road to their October monthly event. Our organization is open to all area residents regardless of how long you have lived in the area. Our next monthly event is a cooking (and eating) event hosted by an Amherst chef. Please visit our website: NHnewcomers.com
