Moskowitz and Platt lead Souhegan to Victory

Souhegan's Eli Moskowitz remained undefeated on the season as he took home first place individual honors with an impressive 15:49 clocking, but it was Ben Platt who came up with his best race of the season and garnered 3rd place overall (17:11) that keyed the Sabers team victory over the field of runners from 8 schools with a low score of 37 points. Windham finished 2nd with 48 points. Following the two senior captains across the finish line with excellent races were Garrett Earley (9th, 17:39), Cam Behn (12th, 18:06), and Billy Seguin (19th, 18:28). Jake Upton (26th, 18:59) and Gabe Cruz (34th, 19:22) rounded out the scoring for the Souhegan Varsity.

Hunt Leads Saber Girls to First Place Win

Madeleine Hunt led an excellent team effort by Souhegan, as she led from wire to wire and won with a very fast 18:53 time, and the Saber Girls put all 7 of their varsity runners in the top 14, as they took home the first place trophy at the Pelham Invitational on Saturday. Sabers Now 8-4 on the 2014 Season

In a close game of an earlier season rematch, Souhegan defeated Windham 2 -1. After the game was tied 0 - 0 at the end of the first half, Windham scored on a penalty kick. Souhegan responded immediately and scored 15 seconds later on an Emma Estabrook goal assisted by Emma Fleurette. Both teams played hard but Souhegan broke through in the 77th minute when Kathleen Foley calmly placed the game winner in the back of the net on a break-away from another Emma Fleurette assist.

The win improves Souhegans record to 8 - 4 who face Hollis-Brookline this Tuesday. Final games will be Friday the 17th against Pembroke, then the Sabers challenge Goffstown on the 21st, and the final season contest against Milford on the 23rd. Good luck girls!

SHS Boys Soccer Drop 0-1 Windham Jaguars with Five Games Left in the Season

At Windham, NH

Goalkeepers
 SHS - Teigue Young 6 saves
 WHS - Parker Hudson 8 saves

Time	Team	Goal	Assist

SHS	6 wins - 3 losses - 1 draws
Windham	8 wins - 5 losses - 0 draws

It was welcome to see 2 teams moving the ball around all over the pitch today. High caliber play by both sides. A great take in the first half from 22 yards off the foot of Ely Marciano forced the WHS keeper to push his dipping volley over the bar. Meanwhile his opposite number Teigue Young made easy work of the Jaguar efforts in the first half. Only 5 corner kicks in the whole game showed that this was a game played significantly in the midfield.

In the second stanza, the Jaguar #15 Will Carpenter drove down the left touchline and turned 90 degrees into the penalty area, drawing

a PK off a superior tackle. His finish was all it took, as Teigue Young made one excellent save in the second half diving at the feet of the oncoming WHS player. Young was forced to exit the game temporarily at that point, replaced by stalwart Josh Massa who made an extraordinarily strong save grabbing a cross at 8 feet to thwart the Jaguar attack in the 53rd minute. From that moment on, SHS played with inspiration and pushed Windham into their defensive third, where 4 clear opportunities at goal went just wide over the next 25 minutes.
