FAMILY FEATURES

This holiday, take some tips from the big man with the jolly red hat. Whether shopping for family and friends young or old, you're sure to find something for everyone on your list with these gifts, specially selected from Santa himself.

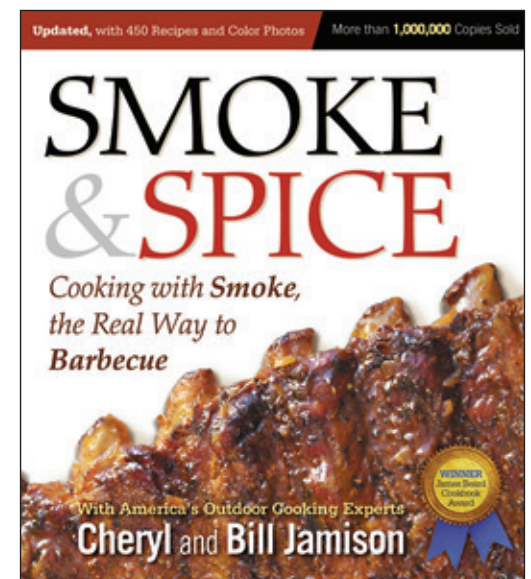

Down Home Comforts

Give a special gift to someone who loves where they come from. Customized with your choice of U.S. state, both items are sure to warm anyone's heart this season. The Personalized Home State Embroidered Cotton Throw Pillow is priced at \$47.00 and the Personalized Embroidered Home State Throw in grey or ivory is priced around \$50.00. Perfect for a hostess gift or the person proud to show off their chic taste in decor. To purchase, visit www.Overstock.com.

Safety, Fun in a First Phone

Give the gift on every kid's list with added peace of mind for parents. The new TracFone LG Optimus Fuel Android smartphone with the SpongeBob bundle comes with content for kids, including fun wallpapers and videos. More importantly, it includes a free one year trial of the Family Guardian parental control app, allowing parents to manage and monitor usage for a safer experience.
