

Mont Vernon

... to enjoy a large assortment of food and drinks...

September 26th was a beautiful day in Mont Vernon to find an old friend and to talk...

... for a dad to watch his son on an antique tractor...

... for boys being boys playing tug of war...

... for taking a horse ride around the farm...

... for taking aim and testing target practice skills...

... for talented musicians to entertain the crowd...

... for a good old fashioned hay ride in the fall...

... and for farm animals to get some attention.

Mont Vernon Village School

Students from the Mont Vernon Village School's After School Garden Club hold the pumpkins grown this year with the help of money donated from the Amherst Garden Club's Charitable Fund. Teacher Karin Alger reports that the \$180 raised from pumpkin sales will provide help for environmental school scholarships and graduation expenses.
